DECLARATION OF CONFORMITY

According to:

- RoHS III (Directive 2015/863/EU)
- ELV (Directive 2000/53/EC)
- WEEE (Directive 2012/19/EU)

Concerning the legal requirements stipulated by:

- Directive 2015/863/EU, known as **ROHS III**, on restriction of the use of certain hazardous substances in Electrical and Electronic Equipments;
- Directive 2000/53/EC, known as **ELV**, on End-of Life Vehicles;
- Directive 2012/19/EU, known as **WEEE**, for Waste Electrical and Electronic Equipments;

we declare that our manufactured products, **cold rolled stainless steel strips**, do not contain the restricted substances, above the permissible maximum concentrations for hazardous substances in homogenous materials.

This declaration is based on: conformity declarations received from our raw material suppliers, accredited laboratory tests and the fact that during our technological processes we do not change the composition of the material.
